

Slim outside Multi benefits inside

MultiSlim, eco-friendly
compact and robust oven.
The perfect fit for any business

Electrolux

You talk...

I'm looking for an oven to **fit the limited space** I have available but that won't compromise on performance.

Space is at a premium.

I need to make my business as profitable as possible and deliver great quality food to my customers.

I'm struggling to find a **solidly-built compact** oven that will help my business grow

...we listen

Offering less water waste, exceptional efficiency and multifunction performance, MultiSlim is the new **eco-friendly, robust, compact oven** you can rely on

Green savings
15% less water*
Save on water bills

Cook in less space
Just 0.42 m²

Long-lasting
72 Kg. Robust build
for heavy duty use

*versus standard injection oven.
Maximum moisture level hourly consumption

Take your business to the max with MultiSlim

Want to cut your water bills by **15%** and guaranteed cooking performance?
The all new MultiSlim **compact oven** from Electrolux is best in class for solidity and profitability when space is an issue

Green

Less water* waste.
Savings and respect for nature

Using up to **15% less water** than standard injection ovens, MultiSlim is better for the environment and **saves on your utility bills**

*versus standard injection oven.
Maximum moisture level hourly consumption

Compact

just
0.42 m²

Short on space?

Space-saving dimensions, just 0.42 m², make MultiSlim **ideal for small kitchen**

The perfect fit.
Even if you move

Right or left door-opening.
And if your kitchen layout changes, simply replace the door on site with one that opens the other way

Solid

-  260 °C convection
-  5 minutes
- 3** Suggested trayloads
- 24** Pieces - 100 g/each

Speed up cooking times and reduce smoke and odors with oven grilling. Evenly grill vegetables in just 12 minutes at 270°C convection

925004
Non-stick grill
GN 1/1

Accessories

Installation solution bases

Open base

Pre-mounted for easy oven installation

PNC	922369
WxDxH	470x620x800 mm

Tray support

Mount on open base to provide additional storage

PNC	922370
Grid nr	6
WxDxH	735x128x65 mm

Stacking kit

Ideal for saving kitchen space.
The kit can be mounted on site.

PNC	922371
WxDxH	780x600x215 mm

Base support for stacked compact oven

Pre-arranged for an easy installation of the ovens

PNC	922368
WxDxH	470x620x320 mm

Kit front air filter

Makes daily maintenance easy

PNC	922379
WxDxH	400x350x350 mm

Hand shower

Pre-mounted for easy installation

PNC	922372
WxDxH	220x220x220 mm

Food probe

Core probe

Monitor core temperature. One-sensor probe.
Essential for ECO-Delta and probe-guided
cooking cycles

PNC	922373
WxDxH	250x40x40 mm

GastroNorm trays

Pair of grids

Ideal:
- for roasting large items
- as support for non-standard containers and plates for regeneration

PNC	922017 (pair)
Material	AISI 304

Chicken grids

Ensure chickens roast evenly, browning skin and keeping meat juicy

PNC	922086 (single)	922266 (single)
Chicken per grid	4 (0.7-2 Kg size)	8 (0.7-2 Kg size)
Material	AISI 304	

Pair of frying baskets

Ideal for air frying frozen pre-fried finger food (French fries, chicken nuggets, crab sticks...)

PNC	922239 (pair)
Material	AISI 304

Non-stick U-pan with coating

Ideal for:
- reducing cooking time up to 10% and energy consumption up to 8% (no surface preheating is required; differently from fry tops, the pan can come directly from the refrigerator)
- reducing food weight loss by 2-4% in comparison with traditional methods, enabling juicier products
- improving operations (eliminates smoke, heat, necessity to grease pans and turn food)

Use plastic utensils to extend life of special surface coating.

Avoid cleaning with granule-type dishwashers

Size	GN 1/1
20 mm PNC	925000 (single)
40 mm PNC	925001 (single)
60 mm PNC	925002 (single)
Material	aluminum alloy with non-stick coating

	GN 1/2
20 mm PNC	925009 (single)
40 mm PNC	925010 (single)
60 mm PNC	925011 (single)
Material	aluminum alloy with non-stick coating

Non-stick frying griddle with coating

Ideal for:
- various cooking needs (double-faced pan features ribbed side for grilling and marking, flat side for baking and toasting)
- improving operations (no pre-heating needed, eliminates smoke and heat exhaustion, aluminum enhances the heat exchange for faster and more even cooking)

PNC	925003
Material	aluminum alloy with non-stick coating

Non-stick grill with coating

Ideal for:
- marking steaks
- improving operations (no pre-heating needed)

PNC	925004
Material	aluminum alloy with non-stick coating

Non-stick egg fryer with coating

Ideal for:

- automatic egg cooking process; may be used for pancakes, hamburgers, omelette, quiches and other round food
- improving operations (no pre-heating needed, aluminum enhances the heat exchange for faster and more even cooking)

PNC	925005
Material	aluminum alloy with non-stick coating

Non-stick flat baking tray with coating

2 edges

PNC	925006
Material	aluminum alloy with non-stick coating

Non-stick baguette tray with coating

Ideal for:

- baking baguettes (enables fitting 4 pieces, 290 g each)
- improving operations (perforated aluminum enhances the heat exchange for faster and more even cooking)

PNC	925007
Material	perforated aluminum, silicon coating

Detergent

Extra Stong Detergent for Ovens C20

Ergonomic, easy-to-handle and store pack contains 2x5l jugs.
